## Introduction

Local authorities do not have to provide free or subsidised Post - 16 travel support but do have a duty to prepare and publish an annual transport policy statement specifying the arrangements for the provision of transport or other support that the authority considers it necessary to make to facilitate the attendance of all persons of sixth form age receiving education or training.

All young people carrying on their education Post - 16 must reapply for travel support.

‘Sixth form age’ refers to those young people who are over 16 years of age but under 19 or continuing learners who started their course of study before their 19th birthday.

Local authorities also have a duty to encourage, enable and assist young adults with learning difficulties/disabilities (LDD) to participate in education and training, up to the age of 25. This policy uses the term ‘Post - 16’ to include both learners of sixth form age and those with LDD up to the age of 25.

This policy document specifies the support that the East Riding of Yorkshire Council (the Council) considers necessary to facilitate the attendance of Post - 16 learners receiving education or training.

Education or training refers to learning or training at a school, further education institution, a council maintained or assisted institution providing higher or further education, an establishment funded directly by the Education Skills Funding Agency or learning providers delivering accredited programmes of learning which lead to positive outcomes and are funded by the Council, for example,

- Colleges
- Charities
- Private learning providers.

## Scope of the Post 16 statement

Information within this statement has been taken from the sources outlined in Appendix A as well as the East Riding of Yorkshire Councils Home to School and College Transport policy and is correct as of 31<sup>st</sup> May 2021

## Aims and Objectives

The Council’s corporate priorities include:

**Helping Children and Young People Achieve** – Supporting and inspiring children to raise their aspirations and reach their potential.

The aim of this policy is to ensure that the Council meets its statutory obligations to support students of sixth form age and young adults to follow a course of study which helps them to achieve.

## Transport and travel support

### Concessionary tickets for young people 16 – 25 years from public transport providers

Bus companies, rail companies and other public transport providers often offer reduced fares or concessionary tickets for young people and frequent travellers. Fares and concessions are determined by the provider. Information is available direct from the public transport providers in your area. Contact information is given at the end of this document.

## Travel support from schools and colleges

### The 16-19 Bursary Fund

Educational establishments receive a 16-19 bursary fund direct from the Department for Education (DfE). This is provided to them to enable them to support the most vulnerable students attending their establishment. Each educational establishment will have its own arrangements and eligibility criteria for the administration of their Bursary Fund.

The 16 to 19 Bursary Fund provides financial support to help young people overcome specific barriers to participation so they can remain in education. There are 2 types of 16 to 19 bursaries:

1. **A vulnerable bursary** of up to £1,200 a year for young people in one of the defined vulnerable groups below:
  - Young People in care
  - Young people who have left care
  - In receipt of Income Support, or Universal Credit in place of Income Support, in their own right
  - In receipt of Employment and Support Allowance or Universal Credit and Disability Living or Personal Independence Payments in their own right
  - Discretionary bursaries which institutions award to meet individual needs, for example, help with the cost of transport, meals, books and equipment
  
2. **Discretionary bursaries** which institutions award to meet individual needs, for example, help with the cost of transport, meals, books and equipment. To be eligible for the discretionary bursary young people must:
  - Be aged 16 or over but under 19 at 31 August 2021 or
  - Be aged 19 or over at 31 August 2021 and have an Education, Health and Care Plan (EHCP)
  - Be aged 19 or over at 31 August 2021 and continuing on a study programme they began aged 16 to 18 ('19+ continuers')
  - Be studying a programme that is subject to inspection by a public body which assures quality (such as Ofsted), the provision must also be funded by either a Government funding agency or the local authority

Further information can be found at [www.gov.uk](http://www.gov.uk) search for post 16 bursaries.

Schools and colleges are responsible for managing both types of bursary. Young people who want to apply for support from the bursary fund should contact their chosen school or college to make an application. A list of contact details and further information is available at the end of this document.

### Young parents / Care to Learn

If you are a young parent under 20 years of age, Care to Learn can help pay for your childcare and related travel costs, up to £160 per child per week, while you are learning.

Care to Learn can help with the cost of:

- Childcare, including deposit and registration fees
- A childcare 'taster' session (up to 5 days)
- Keeping your childcare place over the summer holidays
- Taking your child to the childcare provider.

## **Types of child care**

The childcare provider must be Ofsted registered and can be a:

- Childminder
- Pre-school playgroup
- Day nursery
- Out of school club.

## **Payments**

Childcare payments go directly to your childcare provider. Before your childcare provider can be paid:

- Your childcare provider needs to confirm your child's attendance
- Your school or college needs to confirm that you're attending your course

Payments for travel costs go to your school or college. They will either pay you or arrange travel for you.

## **Attendance**

Payments will stop if:

- You stop attending your course
- You finish your course
- Your child stops attending childcare.

## **Eligibility**

You can get Care to Learn if:

- you're a parent under 20 at the start of your course
- you're the main carer for your child
- you live in England
- you're either a British citizen or have a legal right to live and study in England
- your course qualifies
- your childcare provider qualifies

## **Type of course**

Care to Learn is only available for courses in England that have some public funding.

This includes courses that take place in:

- Schools
- School sixth forms
- Sixth form colleges
- Other colleges and learning providers, including Foundation Learning
- Your community at Children's Centres

Young parents are also entitled to apply for an Under 19 Bus Only Ticket or for those aged 19 and over can apply for the 19 – 25 card. For more information please visit <https://www.gov.uk/care-to-learn/eligibility>

## **Residential Support Scheme**

Enquiries for residential support for students who attend an educational establishment which is beyond daily travelling distance and need to stay away should be directed to Residential Support Scheme. Contact details can be found in Appendix A at the end of this statement.

## **Dance and Drama Award**

You may get a Dance and Drama Award (DaDA) to help with fees and living costs at one of 19 private dance and drama schools. Enquiries for Dance and Drama Award should be directed to [www.gov.uk](http://www.gov.uk) Contact details can be found in Appendix A at the end of this statement.

## **Education Providers' Own Transport**

Some educational establishments have special financial and transport schemes arranged for students on roll. The range of support varies considerably and discussion with the educational establishment will clarify their current offer. A list of relevant schools, sixth form colleges and further education colleges is included in Appendix C. That appendix also gives the contact details for the establishment and a summary of the transport support offered by the school or college where that information has been made available. **To ensure students have the correct information for the academic year 2021/2022, please contact the intended educational establishment direct.**

## **Local authority support**

### **Local authority support for young people without special educational needs or disabilities**

### **Discounted Season Tickets**

Students of sixth form age can apply for a discounted season ticket for use on any home to school or college transport contracted by the East Riding of Yorkshire Council where there are spare seats. Application forms and information in relation to season tickets is available online at [www.eastriding.gov.uk](http://www.eastriding.gov.uk) or by contacting East Riding of Yorkshire Council's Transportation Services (please see appendix D for contact details). Discounted season tickets on Council contracted vehicles are available to all students regardless of age.

For students who are members of a low income family or who are living independently and who meet the relevant income criteria, the contribution payment for the 2021/2022 academic year is reduced by 50% to £270. To qualify for this reduced contribution, a low income family or a student living independently on a low income is in receipt of any of the following:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the Guaranteed Element of Pension Credit
- Child Tax Credit (provided the person is not also entitled to Working Tax Credit and has an annual gross income of no more than £16,190)
- Universal Credit - household income must be less than £7,400 a year (after tax and not including any benefits you get)

The student or the student's parents and other members of the household may be asked to provide

evidence of their entitlement to or receipt of the above support.

## **Local authority support for learners with special educational needs or a disability**

### **Students aged 16-19 years**

Subject to the eligibility criteria listed below, transport support may be available to students with learning difficulties and disabilities who are aged between 16 and 18 years and are unable to travel to their educational establishment independently. If the student reaches the age of 19 after the start of the academic year, they will continue to receive support until the end of that academic year.

Assessments for this support are made annually through the annual review; or through a review of the student's Education, Health and Care Plan; or the review of the transport needs assessment. In-year reviews will take place where the student is undergoing independent travel training to determine whether or not the student is able to travel on their own. The travel support may cease if the student is able to manage the journey independently.

Any student with learning difficulties and disabilities who is not in an educational establishment placement and may require some assistance should contact East Riding of Yorkshire Council's Youth and Family Support service (see Appendix D at the end of the statement for contact details).

### **Students aged 19 to 25 years**

Students aged over 19 at the commencement of the academic year would not normally be entitled to receive assistance. However, students who started a course before they were 19 and who are continuing the same course, are entitled to continue to receive transport support. That transport support could continue until the student reaches 25 years if they continue to study the same course throughout that period.

Students who progress to a different course at 19 years or older can no longer receive transport support under the provisions of the Council's Home to School and College Transport Policy. The provision of transport for such students will be determined by the Council's Adult Services in accordance with their policy provision.

### **Contribution**

Students in Year 12 and above with learning difficulties and disabilities who qualify for transport support under these provisions will be required to pay a contribution of £540 towards the cost of the transport being provided.

For students who are members of a low income family or who are living independently and who meet the relevant income criteria, the contribution payment for the 2021/2022 academic year is reduced by 50% to £270. To qualify for this reduced contribution, a low income family or a student living independently on a low income is in receipt of any of the following:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the Guaranteed Element of Pension Credit
- Child Tax Credit (provided the person is not also entitled to Working Tax Credit and has an annual gross income of no more than £16,190)
- Universal Credit - household income must be less than £7,400 a year (after tax and not including any benefits you get)

The student or the student's parents and other members of the household may be asked to provide evidence of their entitlement to or receipt of the above support.

## **Eligibility Criteria**

To be eligible for consideration for transport support, a student of sixth form age with learning difficulties or disabilities must:

- Have an assessed need identifying transport support;
- Be accessing the most appropriate institution nearest to their home;
- Be attending a full-time course of further education at a school/college of at least 30 weeks duration and has no less than 12 hours of required attendance per week;
- Have a clear academic progression identified through the learning aims;
- Be unable to travel independently;
- Attend the course regularly and the student's behaviour and conduct must be satisfactory and in line with the institutions' own policies for behaviour and attendance;
- Have considered alternative travel arrangements with a view to their longer term needs.

Additionally, at least one of the following must apply:-

- The student has an Education Health and Care Plan  
or;
- There has been a significant change in the student's circumstances, or a significant deterioration in health condition affecting learning or mobility.

## **Young adults aged 19 to 25 years**

Young adults who start attending a course after their 19<sup>th</sup> birthday do not automatically qualify for transport under the Council's Home to School and College Transport Policy. This should be discussed at annual reviews and with the educational establishment.

The provision of transport for post 19 students with learning difficulties or disabilities will be subject to a contribution payment. For the 2021/22 academic year the contribution payment will be £540. For students who are members of a low income family or who are living independently and who meet the relevant income criteria, the contribution payment for the 2021/22 school year is reduced by 50% to £270.

## **Refunds**

If a student of sixth form age ceases attending their course and their transport provision is cancelled and the contribution has been paid in advance, a refund of a proportion of the contribution paid will be refunded. The proportion refunded will be equal to the proportion of the school or college days remaining in the academic year after the date on which the transport was cancelled.

## **Travel training**

Independent travel training is available subject to assessed need. The East Riding of Yorkshire Council's 0-25 team would be able to offer advice (please see appendix D for contact details).

## **Apprenticeships**

The Council does not provide travel assistance directly to young people undertaking apprenticeships. However, depending upon their age they may be entitled to concessionary fares, discounts, subsidies, passes or travel cards, depending upon their age and circumstances.

Alternatively, for information on support in respect of apprenticeships contact your apprenticeship provider. Further information is also available at: [Apprenticeship Information](#)

## **Those not in education, employment or training (NEET)**

Please contact Transportation Services in the first instance to discuss, see appendix D.

## **Applying for LA transport support**

Applications can be made on line at [www.eastriding.gov.uk](http://www.eastriding.gov.uk). Or by contacting the Transportation Services Team (see appendix D).

## **Applications for consideration of special and exceptional circumstances**

The Director of Children, Families and Schools may authorise Council support for the provision or costs of home to school or college transport where it can be shown that there are exceptional circumstances which justify making an exception. The Director can award support if they are convinced that there are special and exceptional reasons which justify treating a student differently to everyone else.

Before making an application to the Director, students or their parents must ensure that all other avenues of support have been explored, for example from the school or college.

Guidance notes and a form are available from East Riding of Yorkshire Council making contact by telephone: 01482 392100 or e-mail: [schoolorganisation@eastriding.gov.uk](mailto:schoolorganisation@eastriding.gov.uk)

## **Appeals**

If the Director turns down an application relating to special circumstances, the applicant can lodge an appeal. Appeals are heard by the Council's Appeals Committee. More information can be obtained by ringing 01482 392100 or e-mailing [schoolorganisation@eastriding.gov.uk](mailto:schoolorganisation@eastriding.gov.uk)
