

## East Riding of Yorkshire Council Members Allowances Paid 2020/2021

The Local Authorities (Members' Allowances) (England) Regulations 2003 require the Council, as soon as reasonably practicable after the end of a financial year, to publish the allowances paid to each member. A basic allowance of £12,054 per annum is payable to each member of the council in a full year (\*indicates not paid a full year) and is intended to recognise the time devoted by members to their work.

The special responsibility allowances are payable to those members who hold positions which require them to spend more time and effort on the council's affairs than would be expected of other members.

Travel and subsistence allowances are payments in reimbursement of expenses incurred by members on Council business.

The amounts paid, except for travelling and subsistence, are net of income tax and national insurance contributions depending upon members personal circumstances.

The gross amounts for 2020/21 are shown in the table below –
